PARTIAL SETTLEMENT AGREEMENT

On July 21, 2000, the Ysleta del Sur Pueblo ("Pueblo") and Rick Quesada filed their First Amended Original Complaint for Injunctive Relief in the United States District Court for the Western District of Texas, seeking relief, inter alia, under the National Environmental Protection Act ("NEPA") and the American Indian Religious Freedom Act ("AIRFA") against the United States Bureau of Reclamation, the United States Section of the International Boundary and Water Commission and Douglas Echlin ("parties"). This Partial Settlement Agreement ("Agreement") between the Plaintiffs Ysleta del Sur Pueblo ("Pueblo") and Rick Quesada, and Defendants United States Bureau of Reclamation ("BOR"), United States Section of the International Boundary and Water Commission ("IBWC") and Douglas Echlin, is entered into for purpose of settlement and compromise of the claims made in the above-referenced action relating to alleged violations of NEPA and AIRFA.

Partial Settlement Agreement, p. 1.

Without admitting or conceding any wrongdoing or liability by any party, and without waiving any defenses the Defendants may have, the parties hereby enter into the following Agreement.

- The Defendants agree to extend the issue date for the Final Environmental Impact
 Statement ("FEIS") for the El Paso/Las Cruces Regional Sustainable Water Project
 from August 25, 2000 to November 27, 2000.
- 2. The parties agree that between the date of this Agreement and the due date for the FEIS, the IBWC will engage in a face-to-face dialogue to discuss the Pueblo's allegations of impact of the proposed project on the Pueblo, specifically the alleged impact on the Pueblo's First Amendment rights and its religion, and the Pueblo's proposal for reducing the alleged impact.
- The parties agree to exchange information, including, but not limited to, the Pueblo's quantification of its claimed right to instream flows and the legal basis for such claim, to facilitate the discussions referenced in Paragraph No. 2 above. The parties agree to establish a schedule for face-to-face meetings, including, but not limited to, meetings between counsel, the parties, and/or each party's experts, and to accomplish the exchange of information.
- 4. In consideration of the compromise and settlement of the NEPA and related AIRFA claims set forth in the First Amended Original Complaint for Injunctive Relief, these NEPA and related AIRFA claims shall be dismissed with prejudice. Plaintiffs shall file an amended complaint which amends the First Amended Original Complaint for Injunctive Relief by November 27, 2000, to eliminate the NEPA and related AIRFA

allegations, claims, and requests for relief. Plaintiffs also agree to dismiss Douglas Echlin as a Defendant in the November 27, 2000, amended complaint. The Plaintiffs shall not add new allegations, claims, or requests for relief, or additional defendants, to this amended complaint. Defendants agree to not oppose the filing of the amended complaint described herein. The Plaintiffs do not waive any right they may have to assert any subsequent violation of NEPA and AIRFA.

- The Plaintiffs agree that the Defendants shall answer, plead, or otherwise respond to the amended complaint described in Paragraph No. 4 no later than January 26, 2000.
- 6. Plaintiff's Motion for Preliminary Injunction and Order Expediting Hearing filed on July 11, 2000 shall be dismissed as moot.
- 7. The parties do not waive any right they may have to assert a violation of this Agreement.
- 8. Each party shall bear its own costs and attorney's fees.
